THE FRIENDS OF WOODBRIDGE TIDE MILL

The Tide Mill re-opened its doors to the public Easter 2012 with an impressive range of improvements from major structural ones to the beginnings of a lively events programme. The schools' programme, varied events, steady stream of visitors and the newly extended opening season means there is so much more to do and enjoy. We hope that The Friends of Woodbridge Tide Mill will play important roles in sustaining and shaping the future of Woodbridge Tide Mill for local people and visitors alike. The active involvement of Friends is essential if we are to maintain and develop the Tide Mill and its programme of events. We hope you will consider being part of our team.
